Yesterday, I was really moving, covering material, and I accidentally covered the material for *Effect on Commerce* (which is just one slide) within the slideshow for *Jurisdiction, Remedies, Injury, Standing, Limitations on Actions*. Sorry. Just to cover the bases and not leave things disorganized, here it is again:

Effect on U.S. Interstate Commerce Requirement

- Must affect commerce.
 - Applies to non-profits engaging in commercial activities.
 - But wouldn't apply just to asking for donations.
- Must affect interstate commerce.
 - This is an incredibly low bar.
- Must affect U.S. commerce.
 - This has a little more bite – to avoid having foreigners doing things off in foreign countries unwittingly expose themselves to U.S. antitrust criminal and civil liability.
