<13> PRODUCTION OFFICE/TELEPHONES/TECH ROOM:

A. A lockable office with three keys, near the stage, with adequate furnishings, power, cooling, heating etc. will be required. This office must be organized and ready prior to the load-in.

B. Two direct line phones and one fax line independent of the venue switchboard will be required. Numbers for these phones should be made available to SHERYL CROW

representatives as soon as possible. (These phones are for the exclusive use of SHERYL CROW production. Any other needed phones should be separate.)

C. A tech/tuning room will also be required. This is to be the best room available close to the

stage. It must be cleared of all unnecessary furnishings and equipment and equipped with 2x20amp circuits. Promoter agrees to station a security man at the door to this room as soon as equipment is placed inside it.

<14> DRESSING ROOMS:

One private room will be required for SHERYL CROW. This should be comfortably furnished with a couches, coffee tables and ~~shower~~ / toilet facilities. One large (team size) room will be required for the Band. It must be equipped with a full length mirror, a sink, private toilet facilities, hand soap, three large and many small ashtrays. Each room should have 2x20amp circuits. The room must be outfitted with comfortable furniture, coffee tables etc. to accomodate 8 people. Promoter agrees to station a security man outside the dressing room door as soon as required to do so by the Production Manager. The rooms must be lockable, and keys made available to the Production Manager. These rooms do not take into account any other performers on the show besides SHERYL CROW.

<15> CREW ROOM / TOWELS:

Please arrange for one large room ~~with showers~~ and soap for road crew so as not to impose on the performers' dressing rooms. If the hall has inadequate facilities for a separate crew room during performance, ~~please arrange for the showers and soap during setup and tear down.~~ THE SHERYL CROW PRODUCTION WILL PROVIDE ALL TOWELS REQUIRED FOR THE PERFORMANCE, INCLUDING THE SUPPORT GROUP.

<16> PARKING:

A. Parking as near as possible to stage (but not to be visible or obtrusive to the audience) for 3 tractor trailers, 4 buses, 6 cars.

B. Please be certain all necessary parking permits are available well in
